We Make Kids Smile

**Thinking of a way to reward your staff?**

**Do you want to improve the work-life balance within your business?**

Then get ahead of your competitors with a Camp Australia Kids At Work Day! Camp Australia will plan, design and manage a unique event based on site where children get to experience mum or dad's work for a day.

Our Kids at Work Day will captivate children while bringing an unrivalled sense of fun to your office or workplace. We'll get the kids making giant ties for dad to wear and creating jewelry or beads for mum, in between a 'business lunch' all while staff are able to attend to their daily tasks!

Our program of activities are accessible for children of all ages, abilities and interests. With experienced, qualified staff who have a passion for "making kids smile" we will ensure the experience is an unforgettable one for your whole workplace family!
