

Kids At Work Day

Events

Thinking of a way to reward your staff?

With the current work situation, where parents and kids don't spend too much time together, a Camp Australia **Kids At Work Day** is a fantastic way to go about it. Our events are designed to offer you a total event management service that will captivate children while visiting and learning about their parents' workplace.

Activities are designed to be interactive and accessible for children of all ages, abilities and interests. Our staff are specifically trained to '**make kids smile**' and will ensure your event is simply sensational!
