We Make Kids Smile

Thinking of a way to reward your staff?
Do you want to improve the work-life balance within your business?

Then get ahead of your competitors with a **Camp Australia Kids At Work Day!** Camp Australia will plan, design and manage a unique event based in your workplace culture where children get to experience mum or dad's work for a day.

Our Kids at Work Day will captivate children while bringing an unrivalled sense of fun to your office or workplace. We'll get the kids making giant ties for dad to wear and creating jewelry or beads for mum, in between a 'business lunch' all while staff are able to attend to their daily tasks!

Our program of activities are accessible for children of all ages, abilities and interests. With experienced, qualified staff who have a passion for "making kids smile" we will ensure the experience is an unforgettable one for your whole workplace family!

Testimonials:

Danks

We have been working with Camp Australia for many years now and always with 100% satisfaction. The care and professionalism with which they look after our customer's children is outstanding. With children aged between 5 through to teenagers, they always put together programs that the children rave about and can't wait till our next event. All this is done through a team of professional, responsible carers who look after hundreds of children whilst making it all seem effortless. I cannot praise Camp Australia's Events Team high enough."
